

Keys Bengals: Deposit and Reserve Kitten/Cat Form and Receipt: Page 3:

The purchaser will pay a deposit to reserve a kitten/cat which shall be applied towards the purchase price of said kitten/cat. The balance will be due and paid upon the release of kitten/Cat to the purchaser, along with one deposit, Purchase Agreement/ Health Guarantee, along with other documents, acknowledgement and understanding forms, to be agreed to and signed for each kitten/cat purchased. This deposit is NON-REFUNDABLE. Should the Purchaser for any reason change his/her mind and decide to back out and not to buy a kitten/cat, or to wait for the next litter when your time is up to take your kitten/cat due to your circumstances, such as vacations, or financial issues that arise the entire deposit will be forfeited. The purchaser will need to place another deposit to be put back on the list. We need to find the kitten a new home on short notice. Deposits are used to help care for all of the Bengals such as: vet exams, x-rays, food, cleaning supplies, and medications as needed.

If unforeseen circumstances prevent the Purchaser from receiving a reserved kitten/cat, Keys Bengals has the option of offering a replacement kitten/cat of similar quality which Purchaser may accept or decline. The deposit may be applied towards a future kitten/cat. We start with Client #1 and move down the client list on each litter. Each client has 12 hours to pick from available kittens. All clients will be asked if they want whatever color or gender even if it is not your preference you can just pass (you can not pass if it is the specific kitten you requested like color or gender, you will have to take) we then move to the next client in paid order until all kittens are taken.

Seller reserves the right to refuse to sell a kitten/cat to the Purchaser at any time prior to the kitten/cat's pick up. In that instance, Keys Bengals shall notify the Purchaser in writing of its decision, the reason for the decision and Keys Bengals shall refund Purchaser's deposit, at which time all agreements are null and void. Keys Bengals decision to cancel the sale shall be motivated solely by the best interests of the kitten/cat and potential relationship with the Purchaser. The deposit shall not be refunded if the sale is canceled by Seller due to concerns regarding the best interest, welfare, safety, or proper placement of the kitten/cat.

Immunizations are an additional \$150.00 and will have to keep the kitten until 12 plus weeks and available upon request. Gender confirmation will be at kittens pre home vet check-ups. We are 99% accurate however, male testicals sometimes don't drop until after 8 weeks which makes it slightly difficult at times. If they are the wrong gender, you may keep, or pass and wait for the next litter.

We prefer you come to the Cattery to put down a deposit. If there is no show or last minute cancellation, and you still want to be put on the reservation list, we will request for you to do a deposit through Venmo with a 3% fee. Our time is as valuable as your time. If you can't pick up your kitten on pick up day for example out of town for a trip, we will charge an additional fee (amount depends on length of stay fee is under Lodging stay below). Lodging fee will be filled out prior to pick up and paid in full at the time of set up via Venmo with a 3% fee or cash. . *MUST READ, ACKNOWLEDGE AND SIGN KEYS BENGALS: SHIPPING CONTRACT if you plan on having a shipping company or person pick up and transporting cat/kitten to you. Keys Bengals may delay/ reschedule pick up if any issues/or incidents arrive due to care or needs of the cat/kitten or Keys Bengals (you will not be charged for those incidents).
